CRIMSON

GOSHEN HIGH SCHOOL

GOSHEN, INDIANA

We began our final year amid the roar of bulldozers and odor of glue drifting through the halls . . . friendly sun-tanned faces . . . the year began to take shape and we were there, with you in '62.

Football season . . . watching our gridmen crash through line after line for our victories . . . our boys fought hard and we suffered with them as they lost a few close ones.

Dancing the "twist" after the games with "Dan the Man" and the "Dukes" . . . cruising through Bowers or the "Suds" . . . but it wasn't all play. Class projects kept us busy . . . the Sophomore Varieties . . . Senior Follies . . . The Bishop's Mantle . . . The Robe . . . the Prom. The juniors did a good job of setting the scene for the "Old South" . . . we danced in our new gym for the first time to swinging Southern rhythm . . . the morning dawned to find us off to the dunes with droopy heads, but hearts still singing.

Basketball season, the cheers, tears, and laryngitis . . . we looked forward to playing Elkhart remembering the win of last year. We met Elkhart on their floor yelling "We did it before, we'll do it again," but their "Victory, Victory, that's our cry" proved more true, and we lost by three heart-breaking points.

When the seniors left for New York, each class automatically moved up . . . the juniors felt the honor of being "top dog" . . . the sophomores were no longer underclassmen . . . the frosh were no longer "scorned" . . . alas the seniors came back and all returned to normal.

Class Day . . . as the seniors marched down the aisle of the auditorium, for the last time, to Pomp and Circumstance, there were misty eyes and even tears among those to be left behind . . . to the seniors, it represented a transition into another way of life . . . to those yet to graduate, it meant a year closer to what life has to offer . . . and we were there . . .

With you in '62!

DEDICATION CEREMONIES

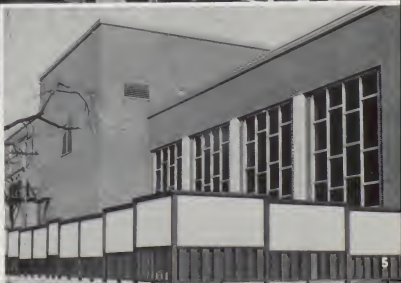

The front entrance to Goshen's new \$1,500,000 gymnasium and swimming pool is seen here. The dedication basketball game was played on November 10 when the Goshen Redskins opened their season against the New Paris Cubs.

Speakers for the dedication ceremonies held in the high school gymnasium Tuesday, November 7, 1961, were, left to right, Dr. Roy Umble, Principal Charles E. Fields, Daniel L. Chiddister, James Berkey, Don M. Stoutenour, Architect Leon C. Maenhout, and Superintendent Lee L. Eve.

SCHOOL FACILITIES DEDICATED—A view of the dedicatory services is shown here. Guests for the dedication program consisted of the school boards that had planned and supervised the construction of the building and the present school board. The Goshen High School chorus is at the left.

The patio to give privacy to summer sunbathers and swimmers is shown here. The glass doors at the west end of the pool open upon this patio.

OUR LAST YEAR AT GHS

SENIOR OFFICERS: Seated, Bill Davis, president; Julia Sherck, treasurer; Janice Hess, sergeant-at-arms; Nancy Cregier, secretary; Jim Gingerich, vice-president; Dave Lantz, sergeant-at-arms.

As summer ended, the class of 1962 again returned to the halls of Goshen High School. This time, however, we returned as seniors. Soon we were back in the swing of things at football games, dances, and club meetings. Of course, we were also studying long homework assignments and cramming for tests in between our various activities. In early October we began working hard on the presentation of "Moods in Color," our Senior Follies. Our next big senior activity was a chicken barbecue which served as a money-raising project.

As we eagerly awaited our senior trip, we found ourselves attending many basketball games and the sectional tourney. In March, we presented the play, *The Robe*. Soon after spring vacation, we as a class were on our way to New York City!

Our high school days were nearing an end, and we were busy with last-minute activities. One outstanding activity was the recording and production of the Sounds of the Year. As a result of this new project, we shall hear on record our principal's voice, our cheers at basketball games, and other sounds familiar to our senior days at GHS. All too soon we found ourselves walking down the aisle to the strains of Pomp and Circumstance with diploma in hand.

During the past four years, we have been ably and patiently advised by Mr. Bontrager, Miss Felter, Mrs. Flatter, Mr. Frey, and Mr. Yoder.

SENIOR SPONSORS: Mr. Don Yoder, Miss Sara Jane Felter, Mrs. Patricia Flatter, and Mr. Marvin Frey.

JUNIORS

CLASS SPONSORS: Mr. Cullers, Miss Grogg, Mr. Richards, and Mr. Shoemaker.

As we, the class of '63, began our third year at GHS, we realized our junior year would be a busy one.

Guided by our sponsors, Mr. Cullers, Miss Grogg, Mr. Richards, and Mr. Shoemaker, and under the leadership of our president, Ken Reim, we began to build up our treasury. Among other things, we sold concessions at football games and sponsored post-game dances.

"The Bishop's Mantle," the junior class play was a great success.

Early in the year we started working on the traditional Junior-Senior Prom.

After successfully completing our junior year, we looked forward to being seniors

The enthusiasm of Goshen High School's student body is evident in this picture taken during the Goshen-Elkhart football game.

UPPERCLASSMEN AT LAST!

Dawn Leer, Donna Lower, and Irene Lasarenko stop for a chat in the hall.

The day before the big Elkhart-Goshen game students swarmed the ticket office hoping to get theirs before the supply ran out.

Dave Williams and Steve Fiedke accept swim boards for the new pool from Howard Swihart of Garman Brothers' Lumber Co. Swimming coach Bill Ennis looks on.

After-hour chemists. John Kulp and Bob Nesius try an unassigned experiment in the Chemistry lab.

Other "mad chemists" of the Junior class, Steve Paul and Randy Saal, watch closely for results of a new experiment.

SOPHOMORES

As sophomores, the class of '64 began the year with great anticipation of the year ahead. We were no longer "little" freshmen. We received much help from our sponsors, Mr. Harold Kastner, Miss Lois Kyler, Mr. Ralph Peterson, and Miss Jean Tribolet.

Officers elected were John Corporon, president; Gary Claybaugh, vice-president; Angela Kauffman, secretary; George Weiland, treasurer; Jim W. Miller, and Georgianna Pestow, sergeant-at-arms.

Our first money-making project was selling concessions at the Goshen-Elkhart football game. Our next project was the traditional Valentine Sweetheart dance. Thanks to our sponsors both projects turned out to be a great success.

We all agree that our sophomore year was the greatest yet, but next year we'll be upperclassmen! Junior year, here we come!

SOPHOMORE CLASS OFFICERS are as follows: John Corporon, president; George Weiland, treasurer; Gary Claybaugh, vice-president; Jim W. Miller, sergeant-at-arms; Angela Kauffman, secretary; and Georgianna Pestow, sergeant-at-arms.

FRESHMEN

CLASS OFFICERS: Seated from left to right in the above picture are Becki Yoder, Ken Massanari, and Doug Ritter. Not shown is Mike Rensberger.

Within the first few days of school, in a new building which seemed huge and impressive, we elected our class officers: Ken Massanari, president; Doug Ritter, vice-president; Becki Yoder, secretary; Mike Rensberger, treasurer.

With the help of our class sponsors Mr. Shortz, Mrs. Lambright, Mr. Hufford, and Mr. Allyn, we soon found we had nothing to fear.

Our first money-making project of the year was concessions at the Laporte football game.

We have found our freshman year interesting and challenging.

THE OFFICE OF THE SUPERINTENDENT

Lee L. Eve serves as the superintendent of Goshen City Schools. He is a graduate of Manchester College and Indiana University. He graduated from Teachers' College, Columbia University, receiving the professional diploma "superintendent of schools" in 1937. He was elected to Kappa Delta Pi, honorary scholastic association for students of education, while a student at Columbia.

Mr. Eve is a past president of the Indiana Schoolmen's Club, the Indiana School Business Officials and Superintendents Association, and the Indiana High School Athletic Association Board of Control. He is a member of state and national organizations for superintendents of schools. Locally, he is in demand as a speaker for school, civic, and church groups.

The 1960-61 Board of Education consists of five men who have been selected by the city council to act as a policy-making body for the Goshen public schools.

A few of this board's duties are to hire new teachers and administrators, approve the budget, plan and let contracts for school construction, and to translate the public's wishes into policies pertaining to the operation and function of the schools. They also assist in determining curricula and policies with respect to educational matters.

The board's decisions are carried out by the Chief Executive Officer, the Superintendent of Schools.

Our BOARD OF EDUCATION for the Goshen public schools consists of: *Standing:* Messrs. D. L. Chiddister, James E. Rodibaugh, Paul W. Kauffman. *Seated:* Supt. Lee L. Eve, C. J. Winter, Dr. John W. Foreman.

OUR PRINCIPAL AND HIS STAFF

Mr. Carl Reiser and Mrs. Nelson Rock are shown in the new guidance office. Here students are counseled as to their academic scheduling and assistance is given in the selection of a college or vocation after graduation.

Mrs. Fred Blosser is shown conferring with Mr. Fields. She is indispensable as the bookkeeper for extracurricular accounts and secretary to Mr. Fields.

Mrs. William Ogle and Mr. Dart Bemenderfer, attendance officer, are shown in the new attendance office. Here attendance records are kept and absences are again admitted to classes. Mrs. Ogle assists in the mimeographing of tests for the faculty. She is also secretary to the Athletic Association and sells books and supplies to the student body.

Our principal, Mr. Fields, has initiated a number of new policies to strengthen the curricular offerings and academic atmosphere of our school. With ability and foresight he has had the courage to forge ahead to better meet the scholastic needs of GHS students. He is a tireless worker and no difficulty is too trivial to receive his attention. Mr. Fields received both his Bachelor's and Master's degrees from Indiana University. At present, he is a candidate for the Doctor of Education degree from Indiana University.

Mr. Robert B. Mathews is assistant principal of Goshen High School, auditor of extracurricular accounts, and a teacher in the mathematics department.

FACULTY

MRS. MARYEVELYN ACORD is the manager of our new cafeteria and is also a teacher in the Home Economics department. She received her B.S. in Homemaking from Ball State and has taken additional work at Purdue University.

MISS EDA M. BARNES keeps our new library in efficient running order as she attempts to keep account of 6,000 books. She attended Butler University to obtain her A.B. and Indiana University for her M.S.

MR. FRED B. BLOSSER is the head of the Mathematics department. He also sponsors Euclidean Club. He gained his B.S. at Goshen College, his M.S. at Indiana University, and has done additional work at the University of California, Notre Dame, and Purdue.

MR. JOHN H. ALLYN, Biology teacher, can be found at almost any moment of the day in the new biology laboratory. He is also the sponsor of the class of '65. He received his B.S. at Purdue and his M.S. at Indiana University.

MR. ELMER J. BOWERS puts in long days at GHS teaching chemistry and physics classes and serving as head of the Science department. Mr. Bowers received his B.S. from Manchester College, an M.A. from Ohio State and has taken additional work at Rutgers University and Case Institute.

FACULTY

MISS MARY CALKINS, one of our newer faculty members, teaches Spanish and sponsors Sunshine and Spanish clubs. She has recently received her A.B. from Indiana University.

MR. HENRY CLASON in addition to teaching Civics and World History is also our track coach. He received his B.S. at Northwestern University and his M.S. at Indiana University.

MR. ARTHUR COSGROVE is a familiar figure in Goshen's new gym. During the school day he can be seen putting the boys through their calisthenics in the gym. OUTSTANDING CREATIVITY IS FOUND IN OUR ART DEPARTMENT

The Art Department, headed by Mr. Arthur Sprunger, offers three courses in Art. In all three courses creativity and originality are stressed in order to develop the individual potential of each student. Experience is provided in working with a large variety of materials and tools. Through experiments, observations, and discussions a general knowledge of the subject is gained as well as an appreciation of the work of others.

Art I is an exploratory course with an emphasis on commercial art. Art II is a continuation of the former with more involved problems and greater responsibility for quality work. Designs and Crafts deals primarily with design principles and the proper use of materials in making all sorts of things.

In Advanced Art Helene Brushenko tries her skill at sketching.

Dave Bemenderfer, observing an interesting point in this picture, points it out to Ralph Weber, Karen Dillenbeck, Sharon Saal, and other members of Mr. Sprunger's Advanced Art class.

Janice Kulp, Jane Ramsby, Evelyn Hershberger, and Janet Miller are using ear phones to take dictation from the tape recorder. A student may take four semesters of shorthand at Goshen High School. Both Beginning and Advanced Shorthand as well as Transcription are taught by Mrs. Dwyer.

Office Machines, taught by Mr. Charles Hart, is a course in which many of the common machines of business are introduced. Here Joyce Miller, Diana Wagner, and Carol Rumbles acquire practice on a few of the many types of office machines available in this course.

The Business Education department offers a wide choice of courses to students who wish to prepare for work in business. General preparation for the business office includes a year of beginning typing and one of shorthand. Each of these is followed by a one-semester advanced course in which office forms and production are given special attention. A one-semester course, Secretarial-Clerical training, offers training in business etiquette, procedures, and filing.

As a general education course, Business Law cultivates an understanding of an individual's rights and responsibilities in common business transactions. In the general education area also is Personal Typing, another one-semester course which is valuable to every student in school today.

Students planning for work in selling may choose Retailing which sets forth the basic principles of effective salesmanship.

BUSINESS COURSES ARE ESSENTIAL

Basic principles of bookkeeping are learned in Beginning Bookkeeping, and are of value as a preparation for business, further training in accounting, or as a general education course. Here one of Miss Grogg's bookkeeping classes is seen at work on one of their daily assignments.

THREE LANGUAGES ARE TAUGHT IN OUR SCHOOL

Miss Calkins proctors one of her Spanish tests.

For the first time in Goshen High School history, all three foreign languages—Latin, French, and Spanish are being offered in a three-year sequence.

Due to a general increase in interest in foreign languages, courses have been added, enrollment enlarged, and plans made for the installation of a foreign language laboratory which will increase the effectiveness of the present program.

Elaine Bliss, Ron Copeland, Barbara Holdread, and Lucy Serikow take a look at Paris through pictures.

Miss Shaffer discusses Roman customs with her Latin II class.

DEMOCRACY AND GOVERNMENT ARE FAMILIAR

Frank Yoder and Mr. Clason listen critically to Doug Forgatch's report in Civics class.

This year Goshen High School's Social Studies Department offers seven courses.

Two of these, freshman Citizenship and senior Civics, are intended to help students become better citizens.

World History is an elective course for sophomores. It is designed to give the student a better understanding of the world in which he lives by making a general survey of the past.

United State History is a required course for juniors. By studying our institutions and heritage, an understanding and love of our country is developed.

Economics is the study of our free enterprise system and how it functions in the United States.

Mr. Richards discusses national problems with his citizenship class.

TERMS TO OUR SOCIAL STUDIES STUDENTS

Mr. Hufford discusses a social problem with his second-period Sociology class.

Sociology, a social science dealing with the individual and his adjustment to society, is offered to upperclassmen. During this one-semester course, students are required to write a research paper and they then discuss their papers in seminars before the class.

Another course offered in the humanities field is

Psychology. It deals with the student's understanding of himself and his relation to others. Students are required to read one book and do one experiment or two of either. The experiments are practical applications of the subject content of a specific chapter. The whole class participates in these experiments.

Psychology teacher, Mr. Hufford, looks on as Loni Hursh and Ann Bradford carry on an experiment concerning the individual's ability to perceive a thought or picture being transmitted by another individual.

ENGLISH IS A NECESSITY

Janice Hess, Steve Minier, Cheryl Bears, Cammy Jensen, and Cheryl Vance work at and advise on articles and layouts for our school paper, the *Tomahawk*, which is put out by Journalism II.

Goshen High School requires three years of English. One semester of grammar and one semester of Literature are required of freshmen and sophomores. Among the books read by freshmen are *Great Expectations*. The sophomores read *Silas Marner* and other selections during Literature. Juniors must take a one-semester course in American Literature. The electives open to juniors for the second semester of required English are Speech, a course of public speaking; Debate, which includes panel discussions and symposium forms; Dramatics, in which students learn to interpret and present plays; and Journalism which offers experience in newspaper writing. Also offered are English V, a re-

view of grammar and composition, and English VA, a new accelerated course for juniors.

College-bound seniors usually take a fourth year of English. During the first semester, they review grammar and write themes and poetry "as the spirit moves" Miss Zook, who is in charge of the course. Seniors soon learn that the spirit is most likely to move when it rains or snows and go to class armed with dictionaries and thesauruses as the weather predicts. English Literature completes the fourth year with a study of English writers. *Macbeth*, a play written by William Shakespeare, is studied as are other English classics.

FOR ALL GHS STUDENTS

Carl Wheeler delivers a speech in one of Mr. Ney's Speech classes while students in his audience grade him by their standards, thus helping themselves to learn how to deliver better speeches. Speech is an elective for junior and senior English students.

Mr. Shortz's third-period American Literature class is busily working on their notebooks. American Literature is required of every Goshen High School junior English student.

MATH PROVIDES CHALLENGE FOR GHS STUDENTS

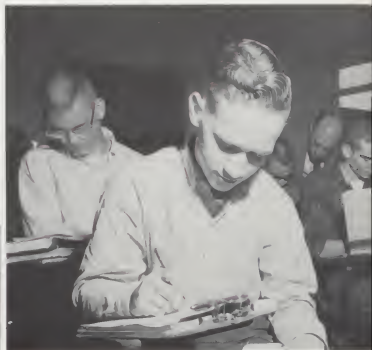

At Goshen High School, courses in mathematics are offered throughout the four years.

Either General Mathematics or Algebra I and II is required for freshmen.

Sophomores may take Plane Geometry, where problems and proofs concerning figures in one plane are studied.

Those sophomores, juniors, or seniors interested in budgeting their money may like Business Arithmetic.

Juniors wishing more advanced mathematics can enroll in these semester courses: Advanced Al-

Advanced Algebra students work on tomorrow's assignment in Mr. Mathew's class.

gebra, where emphasis is upon square roots, logarithms, etc., and the binomial theorems, or Solid Geometry, dealing with proving theorems and with three-dimensional figures.

Seniors who have completed Algebra, Plane Geometry, and Advanced Algebra are eligible for College Algebra—Trigonometry, a two-semester course.

Mr. Kastner's freshman Algebra class learns how to read the logarithmic table.

Steve Hoke and Nancy Cregier are hard at work in Trigonometry.

The wall of the new gym is shown in the background.

FUTURE DRIVERS LEARN CORRECT TECHNIQUES

Classes of Driver's Education meet in groups of three periods a week for nine weeks. Future drivers study Indiana State traffic regulations and learn specific skills such as angle parking, parallel angle, parallel and up-and-down grade parking. Parking at the curb, turn-arounds, and backing are also taught. Practical driving experience is acquired through city and highway driving. Mr. E. Burdette Hoke and Mr. Bill Ennis are Goshen High's driving instructors.

Evie Lechity studies the control panel before starting the car.

Once the car is started, the instructor briefs the student on where he is to drive and what phase will be covered that day.

Oops! No, you can't run a car with the emergency break on! Each car is also equipped with dual foot brakes, one on the instructor's side of the car and the other in the standard place.

GRADUATES OF DRIVER'S ED.

Right: The more the merrier! Frank Yoder usually has a car full of would-be pedestrians after school.

Below: Need a ride? The more the merrier! Greg Hartzler offers a dubious Phil Berkey a ride on Jon Brookmyer's infamous truck.

Where'd you park the car? Dan Ramsby and Steve Minier begin the hunt for Steve's '55 Plymouth. Since the parking lot has been made larger, there is ample room for parking.

Opening a year of active and enthusiastic participation, the choir was proud to help in the dedication of Goshen High School's new and remodeled facilities. Thanksgiving and World Day of Prayer Convocations, Christmas, Spring, and Senior Concerts, Baccalaureate, and Commencement were among the activities of the year.

Hosting the Four-City Choral Festival was one of the high points with Ivan Kortkamp as guest conductor.

Development of the inherent voice and understanding of the aesthetic beauty of choral music is the direct objective of the choral department. Further participation in ensembles is encouraged. Ann Bradford, business manager, is shown here with the art staff, Dan Ramsby and Gene Jones, as they look over some of Gene's work.

Linda Lechlitrer and Marilyn Yoder, check their club contracts as bookkeeper Bev Copenhaver looks on.

Betty Indbnit, Mike Miller, Dave Middleton, and Sandy Peterson sold advertising during the summer and went on selling when school began.

Mary Ann Daub, Marilyn Yoder, Karen Woods, and Nedra Schrock spent Saturdays and evenings after school selling advertising.

Senior editors Marilyn Jensen and Cinda Schrock scheduled the seniors' pictures and planned the senior pages.

WITH YOU IN '62

Has anyone seen the Junior Play pictures? Where IS Gene with those drawings? Do you have any idea what you are going to do with those empty pages? These and other questions were heard many times, but despite the hectic atmosphere of Mrs. Dwyer's room after school, we met our deadlines.

Working hard this year during the subscription campaign, our staff sold 850 books. Don Ecklebarger earned a free Crimson for being high salesman and the Red team won the sales contest. Then, as promised, the Red and White team came forth with entertainment for the winners.

Our editors worked hard during noon hours, after school, and weekends planning pages and editing copy to provide a record of this year's activities. We now submit to you our frustrations, tears, joys, and pride in the form of this yearbook. We hope you like it!

Our advisor, Mrs. Bernice H. Dwyer, takes time from her full teaching schedule to read copy submitted for her approval.

Our Feature staff, Sally Joe Miller, Sandy Peterson, Janet Miller, and Betty Inebnit, look over a layout that editor Sandy has planned.

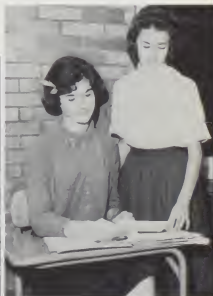

Don Ecklebarger and Helene Brushenko watch as editor Denny Yoder explains his plan for a Sports page.

Denny Yoder, our indispensable photographer, checks his light meter before taking a picture.

The Underclassmen staff, Karen Woods, Alice Brookmyer, Ann Jackson, and Kay Winters, are shown here identifying and sorting their pictures.

Editor of the Faculty section, Julia Cundiff, shows a picture to Janet Miller, assistant, for her approval.

LE CERCLE FRANCAIS

The GHS French club, which is now entering its fourth year, attempts to interest and acquaint students with French customs and culture.

Filmstrips, lectures, parties, films, songs, playettes, and correspondence exchange are implemented in achieving these goals. Others are being planned.

The club membership this year totals seventy-five.

Membership is open to any student presently studying French or who has taken the course for at least one full year.

Club officers for the 1961-62 term are Edith Holderman, la presidente; Trudy Bradford, la vice-presidente; Martha Trenshaw, la secretaire; Jenny Strasser, la tresoriere, et M. Robert Fancil, le garant.

SUNSHINE SOCIETY

Our Goshen Chapter of the Indiana Sunshine Society has as its goals: charity, love, kindness, helpfulness, and giving service to our community in various ways. Our motto is "Others."

Projects involved were auditorium programs, used-book sale, and on the first day of school we presented each teacher with an apple. Sunshine also sponsors the annual Sunrise Service every Easter for the entire community. A contribution to the Riley

Hospital Fund and the Sunshine Nurse's Scholarship is made annually by our members.

Among other social activities were a "Dad and Daughter Banquet," a farewell breakfast honoring our senior members, a potluck supper for the freshman girls, and an Ideal Lady's Tea. We also earned money by selling concessions at the football and basketball games.

Seated around the table, making plans for the Sunshine Society are Beckie Yoder, corresponding secretary; Rita Pletcher, chaplain; Margo Conrad, second vice-president; Miss Calkins, sponsor; Alicia Brookmyer, treasurer; Jackie Hamilton, recording secretary; and Janice Hess, president. First vice-president, Betty Eldridge was absent when this picture was taken.

SPANISH CLUB

Learning about our Spanish-speaking neighbors and their customs is the purpose of the Pan-American Club. Activities of the year include initiation of new members, selling concessions at basketball games, and a Chili supper. The third-year students wrote plays in

Spanish and presented them to the club. Officers are Susie Hoke, president; Gloria Huber, vice-president; Fritzie Ridenoure, secretary; Helen VanHout, treasurer; and Miss Mary Calkins, sponsor.

SCIENCE CLUB

Today the main difference between the enslaved and the enslaver is the same as the difference between ignorance and knowledge. With this in mind, we attempt to promote further understanding in science. Monthly meetings feature movies, speakers, and demon-

strations. A trip highlights the year.

Officers are president, Fred Higgins; vice-president, Nancy Anderson; secretary, Nancy Cregier; treasurer, Alice Umble; director of external affairs, Larry Landis.

MEDICORPS

Medicorps, our Health Careers Club, is composed of students who have an interest in any area of the medical field. Our programs and projects through the year are informative not only about nursing but include material in such areas as Medical Technology, Dental Hygienists, helping the handicapped, physio-therapy, and mental health. Our members have the privilege of being trained to serve on duty in the school Health Center and also in Goshen General Hospital every day for two hours after school as Junior auxiliary aides.

During this past summer, a number of our members served on playground duty at the school for the mentally retarded in Elkhart. Also, some of our members helped to conduct a county-wide survey of the

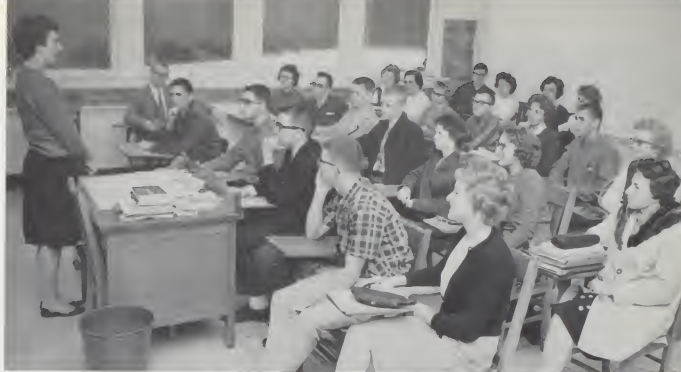

needs in nursing homes that could be shared and met various organizations who wish to do service projects for their community.

Our annual Singing Valentine project is the means by which we are able to send a large contribution to the Indiana Heart Association each year.

Last spring 12 members earned a "G" by having served enough to compile the necessary 350 points.

Officers are Pat Mansfield, president; Alicia Brookmyer, vice-president; Marilyn Hershberger, secretary; Donita Mast, treasurer; Ann Weddell, public relations chairman; Dorothy Nelson McFarland, R.N., sponsor.

NATIONAL HONOR SOCIETY

National Honor Society promotes high scholastic goals by giving recognition to outstanding students. The upper 5% of the junior class and the upper 15% of the senior class are eligible for membership. A Student Loan Fund is available to members who need money to continue their education. Each year National Honor Society has charge of the Goshen Relay concessions.

Officers are Steve Hoke, president; Alice Umble, secretary; Sue Michel, treasurer; Mr. Carl Reiner, sponsor.

CIRCULUS INTIMUS

"Si monumentum requires, circumspice."

"If you seek a monument, look about you."

Many Latin students found their monument in life began as members of the Latin Club of Goshen High School. We will go forth from MCMLXI-MCMLXII to find ours.

"Neque est ullum certius amicitiae vinculum quam consensus et societas consiliorum et voluntatum."

There is no more sure tie between friends than that when they are united in their objects and wishes—Cicero.

Many "puellae" and "pueri" of GHS made new friends by working together in the functions of this club. Several helped in the concession stand at a basketball game and during November and December all members sold candy, making both projects very successful.

Probably the meetings that stirred up the most excitement were the initiation for the first-year members and the annual Roman Banquet held in "Maio."

Students also participated in the State and National Federation of Latin Clubs and in the State and National Latin Contests.

At the close of the year the voice of the "consul" was heard saying, "It has been a "bonus annus!"

WE DANCED

At 11:00, Jane Risser and Devon Miller were crowned queen and king of the 1961 junior-senior prom by the junior class president John Chandler. His date, Jeanie Yoder, is watching.

On May 5, 1961, the junior class had as their guests, the senior class for an all-night prom. The theme of the prom was "Under Paris Skies" and approximately 125 of both of the classes attended the affair. At 11:00, Jane Risser and Devon Miller were crowned queen and king. The group was entertained by French Apache dancers at the Elks, a magician and a vocal group at the Moose. An enjoyable time was spent by all, and 5:00 a.m. came none too soon for the tired dancers.

Dancing at the Elks Lodge was enjoyed by approximately 125 juniors and seniors.

UNDER PARIS SKIES

This beautiful flower cart was one of the many wonderful decorations in the main ballroom. Shown here admiring it are J. Kile, Nancy Wilson, Jane Hostetler and Jack Ogle.

Early arrivals for the prom at the Elks Lodge were Steve Druley, Karen Johnson, Rene Schnobelen, Jack Guipe, Jeanie Yoder and John Chandler.

"Under Paris Skies" was the theme of the 1961 GHS junior-senior prom. The theme is beautifully shown in this downstairs scene with Sharron Yoder, Dave Plank, Diane Sullivan, and Dick Claybaugh posing.

RAINY RELAYS AGAIN!

THE QUEEN OF THE 1961 RELAYS and her court are shown here: Carol Mullet, Queen Virginia Spry, Mr. Russell Rathka, Jane Ramsby, and Angela Kauffman.

The charming Queen and her court reigned over another wet Relay. A morning downpour stopped just in time to permit the girls in their lovely formals to present the awards to the winning athletes. The student body each year chooses the Queen and her court after the candidates from each class are presented at an auditorium program.

Pictured after the auditorium program in which they were elected are: Jane Ramsby, Carol Mullet, Angela Kauffman, and Queen Virginia Spry.

Mr. Russell Rathka escorted Queen Virginia Spry to the Queen's tent.

Carol Mullet was accompanied by Mr. Russell Rathka.

Angela Kauffman, freshman member of the court, is being helped up the wet steps by Mr. Rathka.

Honorary Referee Russell Rathka crowned Virginia Spry Queen of the 1961 Relays.

Mr. G. A. Haberstich, president of the Board of Education, presents Phil Van Dorstan with his diploma. Edith Holderman hands the diplomas to him. Seated is the class of 1961.

CLASS OF '61 GRADUATES IN NEW GYM

The class of '61 marched down the aisle in the new gymnasium to the strains of "Pomp and Circumstance." Rev. Beale gave the invocation and the orchestra played "March from Athalia." Dr. Russell J. Humbert, President of DePauw University, spoke on "Some Unfinished Business." Mr. G. A. Haberstich, president of the Board of Education, presented the diplomas and Rev. Mosemann gave the benediction. Thus ended four years of study at Goshen High School for 174 students.

Mr. G. A. Haberstich, president of the Board of Education, hands Charlene Hummel her diploma. Mr. Fields looks on.

Jerry Bechtel receives the Math Award from Mr. Blosser.

Miss Zook hands Judy Rock her cheerleader chevrons.

A panoramic view of the 1961 graduation in the new gymnasium is seen here.

SENIOR FOLLIES

"MOODS IN COLOR"

After the show, President Bill Davis introduced the chairmen of the various committees.

The yellow scene, a college singing group, practiced many hours on their selections.

Witches posing by Big John's tombstone are Cinda Schrock, Judy Branum, Ann Bradford, Carolyn Seaman, Pat Melfi, and Cheryl Cripe.

Before being on stage, everyone made an appearance in the make-up room.

Witches, colored slaves, Robin Hood, Little Boy Blue, and a group of college songsters were all featured as the senior class presented their "Senior Follies," October 8, 1961.

The theme "Moods in Color" was symbolized by an artist's palette as Robert Ulery announced the forthcoming scene. The skits were designed to coincide with an emotion associated with its color.

ON THE AIR

Karen Woods, Queen for a Night, is being crowned by Ralph Weber, Master of Ceremonies, as Donita Mast hands her flowers.

A group of girls practice for the modern dance.

Mr. Custer and his regiment also performed in the '61 Variety Show.

"A Night of Television" was the theme of the '61 Sophomore Variety Show. About eighty sophomores participated in nineteen acts to a capacity audience on May 2, 1961. Jan Westfall served as student director and Carla Earnhart was the television bunny for the evening.

The Variety Show included a modern dance group, a boy's ballet, a German band, and Dave Williams on the trampoline plus news, weather, commercials, and a variety of other acts.

Miss Grogg and Messrs. Brinker, Shoemaker and Richards sponsored the production.

"A toast, comrades! A toast to the Procurator—and to the brave men of Minoa who executed his commands."

SENIOR PLAY THE ROBE

This year's seniors chose for their production, the beautiful, awe-inspiring play, "The Robe."

The play is the fictional story of what happened to the robe that Christ wore to his crucifixion.

Events that follow the receiver of the robe leads us to an exciting and effectively prepared and presented drama.

Ron Anderson and Phil Holdread study their lines between acts.

Joellen Reiniche is critically peering through her spectacles at Dennis Yoder.

An argument arose between Russell Hite and Dennis Yoder about the slum tenements.

Don Ecklebarger instructs Dennis Yoder as to where to put the picture in his study.

THE BISHOP'S MANTLE

"The Bishop's Mantle" is the class of 1963's dramatic presentation for this year. In it a young priest finds himself faced with the problem of the tenements surrounding his church. The fact that the tenements are owned by a member of his congregation increases his difficulties. His position as rector is threatened additionally by an influential church member who threatens to leave the church if he does not stop seeing her niece.

Mr. William Ney, director, helps Russell Hite adjust his mustache.

Standing around the newly-chosen queen, Sue Bolin, are her court, Diann Paul, Kathy Paffas, Carla Earnhart, and Jan Westfall.

Tears of happiness overwhelm Sue Bolin as she is announced queen.

HOMEcoming

The coronation of senior Sue Bolin as the 1961-62 Homecoming Queen highlighted halftime ceremonies Friday, October 13, when Goshen celebrated its annual homecoming.

Hosting the visiting Riley Wildcats, the halftime festivities and post-game dance were sparked by a 7-0 Skin victory.

Underclassmen members of the Queen's court were: junior representatives Jan Westfall and Carla Earnhart; sophomore representative Diann Paul; and freshman representative Kathy Paffas.

Principal Charles Fields crowns the queen, Sue Bolin.

The five senior girls who were nominated for queen were, Carol Mullet, Rene Schnobelen, Sue Bolin, Cinda Schrock, and Roberta Yoder.

BE MY VALENTINE

Cupid's arrow hits its mark as February 14 signifies another Valentine's day at GHS. One can sense the feeling of the sweethearts' day by listening to the beautiful Singing Valentines. During 5th and 6th periods the singers travel from room to room singing the ordered song to one sweetheart and another. The occasion is topped off with the sophomores' annual Sweetheart dance, where a sophomore girl is voted queen and an attendant from each class for her court.

The Singing Valentines, who serenaded every room, were Roberta Yoder, Denny Yoder, Phil Berkey and Jan Schrock.

Beth Murphy and Steve Rathka reigned as king and queen at the sophomore Sweetheart Dance. Members of the court were: Trudy Erst, escort, Doug Lee; Roberta Yoder, escort, Charles Cotton; and Kathy Pallas, escort, Kirby Whitehead.

The nativity scene which is displayed annually on the courtyard square attracts both young and old.

The traditional Christmas tree of GHS is decorated by the business classes.

The spirit of Christmas is deeply felt at GHS; perhaps the forthcoming long vacation, the snow, and the decorated tree in the hall contribute to make this a season one that we long remember.

CHRISTMAS TIME AT GHS

Christmas means many different things to the students at Goshen. The tree is decorated, carols are sung, halls decked with holly, and one can even find some innocent mistletoe being hung.

The choir's annual Christmas program, which is presented to the entire student body, sends us home with singing hearts, grateful that we live in a country where Christmas is observed in such a meaningful way.

During the Christmas vacation, Kevin Eckleberger, Karen Woods, Rob Ulery and Fritz Ridenoure take time out for fun.

The Elkhart River offers the residents of Goshen some of nature's most beautiful snow scenes.

10 MORE! 10! A turn can win or lose a race for evenly-matched opponents. Here Steve Fiedeke and Lynn Neff are making their turns as Tom Rankin and Denny Yoder keep them informed of the number of laps to go.

4; 5; 4.5; The judges scores are called over the public-address system as G.H.S. diver John Keil completes one of many dives in a meet.

During the summer the public enjoys the use of the pool.

YOU'LL HAVE TO GO FASTER . . . Coach Bill Ennis is seen here with three of the four G.H.S. swimmers that qualified for state competition. The swimmers are Dave Williams, John Penn, and Fred Higgins; not shown is Frank Hawks.

GHS made good use of its newest swimming facility by producing the first GHS Swim Team in its history. Although only winning two meets, the swim team gained valuable experience and plans to take more meets next year. The first season, however, produced four swimmers that qualified for state competition.

ACKNOWLEDGEMENTS

The CRIMSON wishes to express its thanks to the people who have helped us with the photography and art work for this book. First, our thanks to Mel Troyer, who has shared with us many photos from the GOSHEN NEWS and who has gone out of his way to help us get other special pictures.

Secondly, our appreciation is expressed for a job well done to Gordon Moore, who has taken all of our club, classroom, and senior pictures.

Thanks, too, to the many business firms who kindly bought advertising space in our book. Without them, this book would not have been possible.

We wish to express our gratitude to Mr. Sprunger and his ADVANCED ART class. From this class came the drawings on our end-sheets and divider pages. Thanks also to Terry VanderRyden who made the abstract "e" which appears on each divider page.

Our thanks also to a '61 graduate of GHS, MARK KURTZ, who took time from his personal life to return to his alma mater to take pictures for us.

Caught in a mirthful moment, Fritzie Ridencore shows that being editor-in-chief has its lighter side.

Well, fellow staff-members, looks like it's about time to close up shop, but before I go, I want to say a few words of thanks to the members of my staff who have worked "over and beyond the call of duty." First, Mrs. Dwyer, words cannot express the gratitude I feel for the time you have put in helping us; without your advising and prodding us, this book might never have gotten to press.

Denny Yoder, your trips to Lacey's and running around the building getting pictures for us have not gone unnoticed.

Karen Woods, Marilyn Yoder, and Helene Brushenko—thanks many times for your typing, layouts, and copyreading which have helped us continually through this year.

Ann Bradford and Bev Copenhaver—thanks for being so faithful in counting money from the sales campaign in addition to performing your other duties, too.

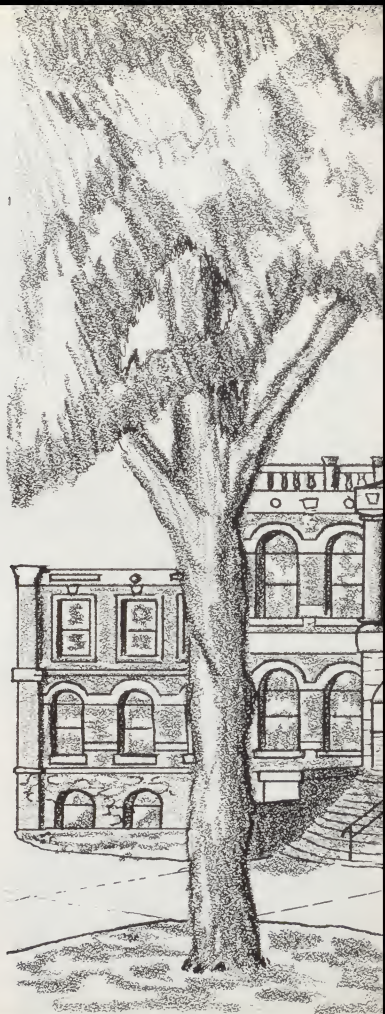

To the others of my staff, many thanks. Without your cooperation and understanding through rough spots, our deadlines could not have been met.

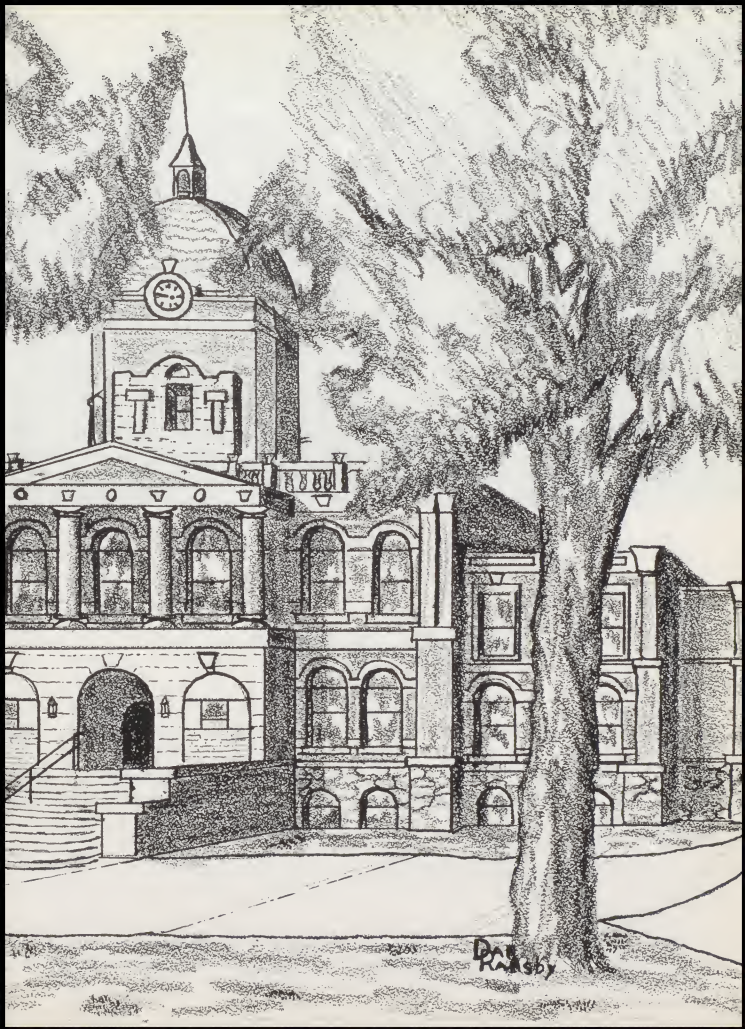

I'm sure that all of you will feel as satisfied and rewarded with your work as I do.

Ann Bradford, business manager, and Bev Copenhaver, bookkeeper, count CRIMSON receipts and money as they check out the day's receipts during the CRIMSON sales campaign.
